

Volunteer Opportunities

Cox Arboretum MetroPark offers hundreds of volunteers the chance to use their time and talents in a wide variety of activities. Become involved as a gardener, instructor or tour guide leading school or adult groups. For more information, call 937-275-PARK (7275) or visit metroparks.org/volunteer.

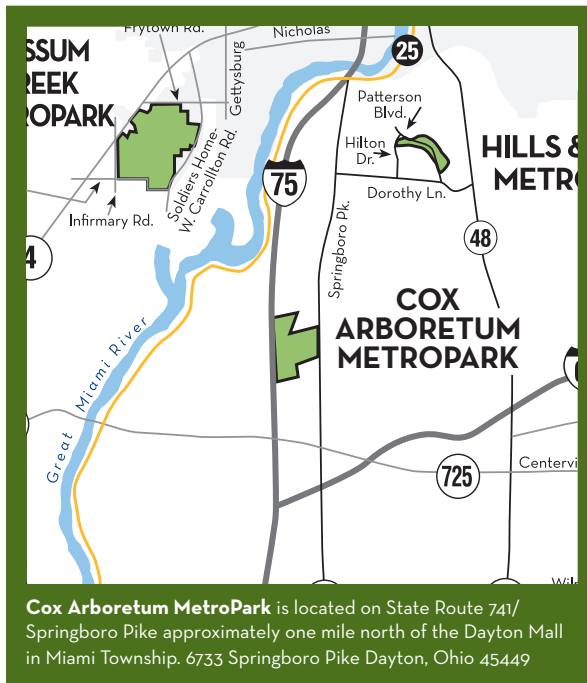

Support Your MetroParks

By making a donation to the Five Rivers MetroParks Foundation, you support Five Rivers MetroParks' mission to protect the region's natural heritage and provide outdoor experiences that inspire a personal connection with nature. Donations are tax deductible and used to support programs and special projects. Sponsorships, tribute benches and trees, and planned giving options also are available. Visit metroparks.org/donate or call 937-275-PARK for more information.

Jan Underwood

Cox Arboretum MetroPark is located on State Route 741/Springboro Pike approximately one mile north of the Dayton Mall in Miami Township, 6733 Springboro Pike Dayton, Ohio 45449

It's our nature.

This park is one of 30 outstanding locations operated by your Five Rivers MetroParks. Founded in 1963 to serve the greater Dayton area, MetroParks protects more than 16,000 acres of open space and provides year-round recreation, education and conservation opportunities. Facilities are available to the public free of charge – made possible by Montgomery County citizen support of a property tax levy.

COX ARBORETUM METROPARK

USER'S GUIDE & MAP

METROPARKS.ORG

Cox Arboretum MetroPark

Visit this beautiful 189-acre facility where a wide variety of plants are cultivated for education and aesthetics. Every season has something special to offer, from spring's splashes of bright color to winter's textures. Stroll among specimen trees, shrubs and other plants suitable to our climate. The Arboretum features nine specialty gardens. In addition to exploring the gardens, hike trails through mature forests and colorful meadows. There's something for everyone at Cox Arboretum MetroPark!

Join the James M. Cox, Jr. Arboretum Foundation. Your membership will help support this world-class landscape arboretum and its educational programs. Pick up your membership brochure and information inside the Zorniger Education Center or call (937) 275-PARK (7275).

THINGS TO DO

ZORNIGER EDUCATION CAMPUS - Designed as a gateway to the beauty and wonder of the gardens and natural areas, this series of buildings sets the stage for a wide variety of educational activities. Increase your knowledge

of horticulture and natural history by participating in programs held year-round for all ages. Program schedules and park information are available in the Zorniger Education Center or at metroparks.org.

VISIT THE GARDENS - Stroll the grounds and discover a variety of beautiful thematic gardens highlighting plants that grow well in southwestern Ohio. These include a pollinator garden, perennial gardens and an Edible Landscape Garden.

GUIDED TOURS - Schools and other groups may schedule guided tours of the Arboretum. Tram tours for adult groups are available with a reservation. Call 937-275-PARK (7275) to schedule.

WALKING - The Arboretum grounds are easy to walk. A 1/2-mile paved loop pathway provides visitors access to all the park features. Natural areas and Conservation Corner offer about 2.5 miles of trails through woodlands and meadows. An overlook (see map) provides a scenic view of native woodlands and a beautiful ravine. Birds and other wildlife can be watched from a blind in Conservation Corner.

INFORMATION & REGULATIONS

Protect Cox Arboretum MetroPark as a natural area and site for cultivated plants. Do not pick, collect or disturb plant or animal materials of any kind. Hunting, frog gigging and swimming are not permitted. Please remain on the paths and trails in gardens and natural areas. Bicycling, rollerblading, fishing and ice skating are not permitted.

DO NOT FEED WILDLIFE Please do not feed fish, ducks, turtles or geese. Feeding these animals creates unhealthy conditions for them and the public.

PETS Dogs allowed on leash only. Leashes may be no longer than 8 feet. Dog droppings must be removed from walking trails.

ALCOHOL Prohibited except by permit.

THANK YOU FOR YOUR COOPERATION.

PARK FEATURES

- 1 VISITOR CENTER**
Start your Cox Arboretum MetroPark experience here. Learn from staff and volunteers about all the park features to make the most of your visit.
- 2 THE LOOP PATH**
The 1/2-mile loop path orients visitors to Cox Arboretum MetroPark by leading them on a loop that links many aspects of the Arboretum. The specially colored permeable clay paver path is a simple reminder that visitors are on the right track and will return to the point at which they started. The path meets ADA standards.
- 3 BARBARA COX CENTER FOR SUSTAINABLE HORTICULTURE**
The Barbara Cox Center for Sustainable Horticulture provides visitors experiential education opportunities with an emphasis on conservation and sustainability. The Center is home to two of Five Rivers MetroParks' native tree and wildflower propagation programs, where native plants are grown for use in habitat restoration projects throughout MetroParks.
- 4 WATER GARDEN**
Enjoy the serenity of a water garden landscaped with a mix of water-loving plants, perennial and shrub borders, and seasonal displays.
- 5 STONEWALL PERENNIAL GARDEN**
This mixed border features perennials chosen for year-round interest, including reliable garden favorites and promising new introductions.
- 6 ROCK GARDEN**
Alpine plants, low growing vegetation and dwarf conifers all thrive in this sloping garden of rocks and gravel. Peak blooming period is April and May.
- 7 ARBOR**
This beautiful arbor is part of a popular wedding venue.
- 8 BUTTERFLY HOUSE**
View many species of native butterflies close-up and the pollinator gardens that surround the house. Open May 1 - Oct. 31.
- 9 ALLÉE**
This popular spot has been replanted to retain and extend the beauty of the allée, providing four seasons of interest. Watch for beautiful blooms, showy fall foliage, ornamental bark and a bird-attracting fruit display late in the season.
- 10 SHRUB GARDEN AND CHARLES R. NIEHAUS LILAC COLLECTION**
This garden allows home gardeners to evaluate growth and flowering habit, fall color and winter character of hundreds of different trees and shrubs.
- 11 BELL CHILDREN'S MAZE**
Parents are invited to watch from the overlook or join in the fun as children discover a path through 1,175 boxwoods to the center of the maze.
- 12 EDIBLE LANDSCAPE GARDEN**
The Maimon Memorial Garden features edible plants as ornamental components of the landscape. This garden combines beauty and utility through a unique display of fruits, vegetables and herbs. The pavilion serves as an outdoor classroom and wedding venue.
- 13 WOODLAND WILDFLOWER AREA**
This young, successional woodland features a collection of native woodland wildflowers and non-native species that can grow well with natives in a residential shade garden. During spring, the wildflowers are at their peak. At the west end of the garden is a connection to the red trail and Conservation Corner.
- 14 CONSERVATION CORNER**
Land stewardship practices are demonstrated in this area that includes two wetlands and 13 acres of re-introduced prairie, creating ideal wildlife habitat. A bird blind provides opportunities for wildlife viewing.
- 15 CONIFER COLLECTION**
View a variety of evergreens that can be grown in the Dayton area. The collection exhibits the wide range of textures and colors available for the home landscape.
- 16 TREE TOWER**
The Tree Tower rises 45 feet above the tree tops, supporting an observation deck that provides visitors with a breathtaking panoramic view of Cox Arboretum MetroPark and the surrounding region.
- 17 IRIS GARDEN**
This garden features species of irises native to eastern North America, as well as a few selected horticultural varieties. Additional plant species added to the stream bank planting help extend the flowering season.
