

YOUR FLINT RIVER

142 MILES OF RECREATION, NATURAL BEAUTY & PRECIOUS RESOURCES.

PURE RECREATION

Fishing, canoeing, kayaking, swimming and hiking provide year-round recreation.

NATURAL BEAUTY

Enjoy the serene, scenic views and wildlife in and around the Flint River.

A PRECIOUS RESOURCE

The Flint River is the strongest it has been in decades.

OURS TO PRESERVE

Protecting, preserving and improving the Flint River is the responsibility of us all.

The Flint River is a vital resource that is available for all to use and enjoy. It supports a growing population of osprey, eagles and other wildlife. The river and its ecosystem provide unlimited recreational opportunities and natural beauty while supporting wildlife and a vibrant landscape. We all have a responsibility to protect, preserve and improve this precious resource.
