TAHOE RIM TRAIL
HIKING, MOUNTAIN BIKING, HORSEBACK RIDING

"A trail like no other"

The Tahoe Rim Trail Association invites you to enjoy the trail and become a member of the association to help protect this resource for future generations!

THE TAHOE RIM TRAIL

The Tahoe Rim Trail is a world class travel destination that passes through two states (California and Nevada), six counties, one state park, three National Forests, and three wilderness areas. This spectacular trail is 165 miles of single-track multiuse trail winding peak to peak around the lake that Mark Twain called the "Jewel of the Sierra". Most sections of the Tahoe Rim Trail are open to bikers, hikers and equestrians but closed to motorized vehicles. The Tahoe Rim Trail rises from the lakeshore and climbs gently through forests and meadows to ridges that tower 8000 feet or higher. A day on the trail provides vistas as wide as the lake itself with views of the Sierra, Carson Valley, and surrounding alpine lakes.

THE ASSOCIATION

The Tahoe Rim Trail Association (TRTA) is a not for profit 501(c)3 outdoor recreation organization comprised of dedicated volunteers, board members, and a small paid staff. The TRTA, in partnership with the U.S. Forest Service and Nevada State Parks, built the Tahoe Rim Trail and continues to build new trail, as well as maintain and protect this spectacular, valuable public resource in the Lake Tahoe Basin. The TRTA also provides year round programming for all trail users, including: Guided Hikes, Spring Speaker Series, Backcountry Skills Courses, Wilderness Medicine Trainings and Youth Programming.

VOLUNTEER

The Tahoe Rim Trail Association is grateful for over three decades of support from a diverse group of outdoor enthusiasts who continue to support the organization with thousands of volunteer hours. Many volunteers offer their support as trail builders, maintainers, guides, ambassadors, office assistants, and board members.

Volunteers continue working each year to maintain, expand and provide access to this unique public resource. You are invited to be a part of this visionary project. Volunteers are needed in many areas from office support to trail work. Volunteer a few hours and in return gain new friends, get in shape, learn something new, or simply savor the invigorating scenery. Make a lasting contribution to ensure that the quiet beauty of the Tahoe Basin will be accessible for generations to come.

BECOME A MEMBER

The Tahoe Rim Trail exists because of the dreams and dedicated efforts of thousands of volunteers who built and continue to maintain the trail. Their work is supported by the Tahoe Rim Trail Association, and by the cooperation of the U.S. Forest Service and Nevada State Parks. Your financial support is critical to protect and enhance all the hard work that has taken place over the past years. It also helps support outdoor education and youth programs necessary for developing stewards of the Tahoe Basin now and in the future. Please take a moment to select a membership level that is comfortable for you and fill out the membership application in this brochure or on our website.

TRAILHEADS

TAHOE CITY - BROCKWAY

This section is 20.2 miles with trailheads in Tahoe City and at Brockway Summit (off Hwy 267).

Trailheads: Tahoe City North (6300'), turn on Fairway Drive off Hwy 89 on the west end of town. Follow Fairway Drive for 0.1 miles and the trail is across from the Community Center. Brockway Summit West (7000'), on the west side of highway 267, 0.5 miles south of the summit and 2.6 miles from Kings Beach.

BROCKWAY - MT. ROSE SUMMIT

This section is 20.2 miles with trailheads at Brockway Summit (off Hwy 267) and Mt. Rose Summit.

Trailheads: Brockway Summit East (7000') on the east side of Hwy 267, 0.5 miles south of the summit and 2.6 miles from Kings Beach. Limited parking on dirt road or on west side of highway. Mt. Rose Summit (8900') off Hwy 431, 7 miles from Incline Village.

TAHOE MEADOWS INTERPRETIVE TRAIL
